February 19-20, 2010

Breezy Points MN

A University of Minnesota  
Extension 4-H  
Youth Development  
sponsored program

# Kids Path

Kids Path is the youth development program for the Minnesota 4-H Adult Volunteer Association Forum. It is the planning committee's hope that youth attending Kids Path learn additional life skills through the two day session.

We are hopeful that youth attending the program will complete the sessions. We have planned two great days highlighting a variety of project areas with multiple guest speakers. Cost is \$60.

As of February, there will only be one track for the program. Youth in 9th grade and above will attend the adult volunteer track or contact Kids Path Coordinators for special leadership roles. Youth grade 9 and above will pay the adult forum registration price.
